Charles E. Noronha, Esquire, M.A.,

Secretary to the Government of Mysore,

Development Department, Bangalore.

Sir,

Subject:-Stock Verification of the Government Electric Factory.

I have the honour to state that the stock and block of the Government Electric Factory have not been verified fully and completely till now and it is quite necessary to have the stocks verified by an Officer unconnected with the Government Electric Factory.

Mr.K.V. Govinda Rao, Assistant Superintendent of Industries, Bangalore Division has considerable experience in the line and I have instructed him to commence the verification of stock from 10-12-1943. The stocks are huge and varied and valued at about 8 lakhs. It will take at least two to three months for the stock-taking officer to satisfactorily complete the work. It is a strenuous job requiring the Officer to work continuously and patiently. As it involves of very heavy responsibility and heavy work and as he has to cover up a distance of 12 miles every day, I recommend that he be given an allowance of Rs.50/- per month. The cost will be met out of the Factory Funds.

I request you to kindly obtain the early sanction of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Director. 1/12
